

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

At its meeting held July 8, 2003, the Board took the following action:

48-B

Supervisor Antonovich made the following statement:

“From July 17 through 27 2003, the Los Angeles County District of the American Contract Bridge League is hosting the North American Bridge Championships. More than 16,000 local, national and international affiliated bridge players will be present at the Long Beach Convention and Entertainment Center competing in the 10-day event. The Bridge Tournament offers competition for professional and experienced players as well as a complete program for beginners, novice and intermediate players and for people interested in learning about bridge. Bridge has proven to be a wonderful game to increase the mental powers of reasoning, logic and memory, especially helpful for youth, and has assisted seniors in retaining their mental awareness.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Board proclaimed July 17 through 27, 2003 as "Learn to Play Bridge Week" throughout Los Angeles County, and extended best wishes to the Los Angeles County District of the American Contract Bridge League as it hosts the North American Bridge Championships.
